

Institutional Goals

To develop and maintain an accredited professional degree program and the physical plant, faculty, staff and administration capable of fulfilling the mission of the institution.

To prepare students to qualify for chiropractic licensure in U.S. licensing jurisdictions.

To teach the philosophy, science and art of chiropractic by:

1. Developing in all students the knowledge, skills and sense of responsibility to prepare them to serve humanity as primary health care providers who specialize in the location, analysis and correction of vertebral subluxation.
2. Establishing the well being of the patient as the foundation for all considerations, policies, and decisions.
3. Educating students in the relationship of the philosophy of chiropractic to the contemporary practice of chiropractic.
4. Teaching and further developing the science and art of locating, analyzing and correcting vertebral subluxations.
5. Pursuing scientific research concerning the characteristics of the location, analysis and correction of vertebral subluxations, and the characteristics and improvement of chiropractic education.
6. Offering a diversified education in the basic sciences to provide students with an understanding of the science of chiropractic and its relationship to human physiology and health.
7. Emphasizing the importance of communications as a tool by which to inform individual patients and communities about chiropractic care and healthy lifestyle choices.
8. Instilling in students a sense of dedication and responsibility to a high ethical standard of practice toward patients, colleagues and the community.
9. Teaching practice management and office procedures applicable to the development of a successful practice.
10. Offering continuing education programs for field practitioners.
11. Accepting and fulfilling all the responsibilities of serving the student, the profession and the public in accordance with the college mission and accreditation standards
12. Conduct and support activities in service to the profession and community.
