

OFFICE OF STUDENT AFFAIRS

POLICY

The primary objective of the Office of Student Affairs is to provide an environment that encourages and supports students in their personal and social development as well as their academic endeavors.

The Office of Student Affairs shall:

1. Possess the responsibility of enforcing college policies directly affecting the student population.
2. Provide personal enrichment and motivational programs that will compliment the students' educational experience.
3. Enrich the students' educational experience by providing the opportunity and the facilities for extracurricular activities.
4. Provide programs and services that will address important issues, needs and concerns affecting Sherman College students and their families.
5. Promote a community atmosphere and mutual respect between students and administration.
6. Promote the success of students with special learning needs.
7. Aid in the improvement of knowledge, skills and attitudes in the area of running a successful straight chiropractic practice.
