Create a Scholarship in your name at Sherman

When you introduce students to a career in chiropractic at Sherman, you'll gain a sense of accomplishment, knowing you are helping to build your profession with competent, compassionate, ethical and successful doctors of chiropractic.

Susan Adamczak, New York, Sherman College Class of 2011

My Scholarship at Sherman College

Honoring You

The My Scholarship Program is our way of showing appreciation for the extraordinary support you provide to Sherman College.

The My Scholarship program helps you make a lasting impact on the lives of the students you refer to Sherman College. Here's how it works:

1. Recruit and Refer

Send Sherman prospective students who want to change lives by becoming doctors of chiropractic.

2. Build Your Fund

For every student you refer, you'll earn a $1,000 scholarship credit when he or she enrolls. We'll keep you connected with the students you refer throughout their time at Sherman.

3. Make Your Award

Once your scholarship fund reaches $5,000, you can award your scholarship – in whole or in part – to student(s) of your choice. Each time you build your fund to $5,000, you can award additional scholarships to Sherman students.

For more information, please contact the Sherman College Admission Office at 800-849-8771, e-mail admissions@sherman.edu or visit www.sherman.edu/myscholarship.
