STUDENT ACTIVITY FEE

POLICY

A student activity fee will be collected from each student each quarter. This fee will be forwarded to the Chiropractic Student Government (CSG) Treasurer and Advisor on a quarterly basis to support programs and social events planned for the student body. The president, with the advice of Administrative Council and members of CSG, will determine the amount to be collected on an annual basis. The CSG Constitution and Bylaws must reflect the agreement between the college and CSG.
