Pre-Chiropractic Curriculum

Sherman College of Chiropractic requires students to have earned a minimum of 90 semester hours of credit with a cumulative grade point average of 3.0 to be admitted into the Doctor of Chiropractic program. All required core courses must be completed with a "C" grade or better. All 90 semester hours may be earned at Spartanburg Methodist College. The Associate in Science Degree will be awarded by Spartanburg Methodist College for the completion of the SMC required courses with a cumulative 2.0 grade point average on all work attempted. Students who wish to earn a degree and continue at SMC to complete 90 semester hours may follow the suggested plan noted below.

Semester one	Hrs
ENGL 101*	**3**⊕
SMC 101	**1**
PSYC 101	**3**⊕
BIOL 101	**4**⊕
CHEM 101	**4**⊕
Total	15

Semester two	Hrs
ENGL102	**3**⊕
MATH 121* or higher	**3**
Elective	**4**◊
CHEM 102	**4**⊕
Total	14

Semester three	Hrs
LITR 201-210	**3**
MATH 122 or higher	**3**
CSCI 101	**3**
BIOL 210	**4**⊕
PHED 121/HLTH	**2-3**
Total	15-16

Semester four	Hrs
SPCH 201	**3**⊕
HIST	**3**⊕
SMC 201	**1**
BIOL 211	**4**⊕
RELI 103-220	**3**
Elective	**3**◊
Total	17

Semester five	Hrs
PHYS 101	4⊕
Elective	4◊
Elective	**2**◊
Elective	4◊
Total	14

Semester six	Hrs
PHYS 102	4
Elective	4◊
Elective	4◊
Elective	3◊
Total	15

Completion of the courses in bold (63 hours) with a minimum 2.0 grade point average on all work attempted will satisfy the requirements for the Spartanburg Methodist College Associate in Science Degree.

⊕Core courses required by Sherman College.

◊Suggested electives for Sherman College: additional science (CHEM 201 and CHEM 202), additional psychology, economics, and accounting.

*Required developmental work (i.e.: ENGL 100, READ 100, MATH 100) will not count toward the 63 hour requirement for Spartanburg Methodist College or the 90 hour requirement for Sherman College.

Effective September 2013
