1. The IHL agrees to provide contributions to eligible individuals who apply for such program at the institution (in a manner prescribed by the institution) on a first-come-first-served basis, regardless of the rate at which the individual is pursuing training (i.e., full-time versus less than full-time), during the academic year.

The IHL agrees to limit contributions made on behalf of a participant to funds under the unrestricted control of the IHL (e.g., a scholarship sent directly to an IHL on behalf of an individual or specific group of individuals from a third party may not be included in Yellow Ribbon Program contributions). Funds received directly or indirectly from Federal sources may not be counted towards contributions.
4. The IHL agrees to provide the maximum amount of contributions payable toward the unmet established charges to each participating individual during each term, quarter, or semester the individual is enrolled if the IHL's total contribution toward the individual's unmet established charges for the term, quarter, or semester do not exceed the maximum dollar amount payable during the academic year as specified in paragraph 7 of this agreement.
