

Make Your Mark on the Sherman College Campus

Like the idea of making your mark on Sherman College's campus? Would you like to lay claim to your favorite chiropractic principle or technique?

A feature graphic throughout Scallon Hall is a symbolic spine using Stephenson's 33 Principles of Chiropractic to embody sections of the spine. As part of Scallon Hall's interior branding, the classroom hallway features 13 chiropractic techniques, each one with a sponsorship opportunity.

Priced at \$4,000, the purchase of a principle or technique naming opportunity automatically qualifies you as a Visionary Member of Sherman College's Regent program. Limited sponsorship opportunities remain.

Principles available for sponsorship* include: 12, 13, 19, 25, 26, 28 and 29. Techniques available for sponsorship* include: Atlas Orthogonal, Blair, Diversified and Toggle Recoil.
