Credit by Examination

Students who have taken a course at another Doctor of Chiropractic degree program that is not equivalent in hours may acquire credit by passing a comprehensive examination in the course material with a grade of "C" or better.

The fee for obtaining credit by examination is \$75.00 per course.

All requests for transfer credit or credit by examination must be made within the first three quarters of enrollment at Sherman, or the option is lost. The Office of Academic Affairs approves requests for all transfer credit and/or credit by examination.
